## Conference Overview

The remarkable pace of biotechnology discovery is continuing unabated. New cytokines are identified, immune regulatory pathways unraveled, promising adjuvants reported, and investigational products revealed to have high degrees of protection for humans against viral diseases not yet vaccine preventable. The tools of vaccination are also being applied therapeutically for various cancers and chronic conditions.

The Annual Conference on Vaccine Research provides high-quality, current reports of scientific progress featured in both invited presentations and submitted abstracts. The disparate fields covered in both human and veterinary vaccinology encourage valuable cross-fertilization of ideas and approaches among researchers otherwise focused on specific diseases or methods.

The Conference has become the largest scientific meeting devoted exclusively to research on vaccines and associated technologies for disease prevention and treatment through immunization. The Thirteenth Annual Conference promises to maintain this tradition as the premier venue for cutting edge topics and issues. International experts will lead seminars and panel discussions on topical areas of basic immunology, product development, clinical testing, regulation, and other aspects of vaccine research. Opportunities for networking and scientific collaboration critical to advancing vaccine science and development will be available through audience discussions, poster presentations, meet the expert breakfast sessions, sponsored exhibits, and receptions.

### Target Audience

- Researchers and Scientists
- Epidemiologists
- Microbiologists
- Immunologists
- Molecular Biologists
- Nurses and Nurse Practitioners
- Pharmacologists
- Physicians in Training
- Physicians
- Veterinarians
- Post Graduate Fellows
- Public Health Officials
- Vaccine, Diagnostic, and Device Manufacturers

### Conference Objectives

At the conclusion of this conference, participants should be able to:

- **Discuss recent scientific advances that are contributing to the progress of vaccine development**
- **Identify research opportunities and scientific challenges associated with vaccine development, production and distribution**

### Meet the Experts Breakfast Sessions

The Meet the Expert Breakfast Sessions are in a small group format focusing on the interaction between faculty members and attendees. The format is conducive to informal interaction led by introductory remarks from the leader followed by questions and answers from the participants. The sessions are open to all attendees; however, seating capacity is limited and on a first-come, first-served basis. Please be sure to take advantage of this networking opportunity to meet with faculty for a thoughtful exchange of ideas among peers, mentors, and colleagues.

### Maurice R. Hilleman Early-stage Career Investigator Award

NFID is pleased to offer the Maurice R. Hilleman Early-stage Career Investigator Award for the 13th Annual Conference on Vaccine Research. This award memorializes the lifetime achievements of Dr. Maurice R. Hilleman in the field of vaccinology. Dr. Hilleman was a long-serving member of the NFID Board of Directors and Board of Trustees and was the 1998 recipient of NFID's Maxwell Finland Award for Scientific Achievement.

The award recognizes individuals in the early stages of their careers in any field of vaccinology, from basic research, through pre-clinical and clinical studies, manufacturing and production,

to related research in public health, agriculture, health delivery, policy, and regulatory matters.

To be eligible, researchers should be currently enrolled or just completing training (e.g., internship, residency, fellowship, postdoctoral training, and similar educational programs), or within four years of having earned their advanced degree (master's or doctoral) in any position.

To apply for award consideration you must submit an abstract to be considered for poster presentation through the on-line submission process and check the Early-stage Career Investigator Award box. The date of one's latest advanced degree and the formal name of one's training program, if any, will be requested for verification purposes when submitting an abstract.

The awardee will receive \$10,000 to support his or her research. In addition, a travel stipend and registration to the 14th Annual Conference on Vaccine Research in 2011 will be provided. The awardee will be recognized during a special session of the 2010 conference and will be invited to present an oral summary of his or her research.

The Maurice R. Hilleman Early-stage Career Investigator Award is made possible by an unrestricted educational grant to NFID from Merck and Co., Inc.

## Continuing Education

### Continuing Medical Education

The National Foundation for Infectious Diseases (NFID) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide Continuing Medical Education (CME) for physicians. NFID takes responsibility for the content, quality, and scientific integrity of this educational activity.

NFID designates this educational activity for a maximum of 18 *AMA PRA Category 1 credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Continuing Nursing Education

NFID is an approved provider of continuing nursing education by the Maryland Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational activity has been approved for a maximum of 18 contact hours. To receive credit, each participant must attend the entire program, and complete a daily sign-in sheet and conference evaluation.

## Disclosure

As a sponsor accredited by the ACCME, NFID must ensure balance, independence, objectivity, and scientific rigor in its educational activities. All individuals in a position to influence the content of the activity are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any product or service discussed in an educational presentation and/or with any commercial supporters of this activity. Disclosure information is reviewed in advance to manage and resolve any conflicts of interest that may affect the balance and scientific integrity of this educational activity.

## Acknowledgment

Multiple funding sources are currently being solicited to provide unrestricted educational grants in support of this conference. Specific names of individual supporters will be provided in the conference final program and syllabus.

## Exhibit Hall

The conference will feature an exhibit hall. If your organization would like to obtain an Exhibitor Prospectus, please contact:

**Sharon Cooper-Kerr**  
**Tel.** 301-656-0003 x19  
**Fax** 301-907-0878  
**E-mail** vaccine@nfid.org

## Malaria Vaccines Symposium Hosted by the PATH Malaria Vaccine Initiative

Please join the PATH Malaria Vaccine Initiative (MVI) for a luncheon and half-day symposium on malaria vaccines in honor of World Malaria Day and in conjunction with the National Foundation for Infectious Diseases Thirteenth Annual Conference on Vaccine Research.

**Sunday, April 25, 2010**

**12:00 p.m. to 6:00 p.m.**

**Luncheon and keynote address  
will begin at noon**

### Topics to be addressed include:

- Malaria vaccine research and development in the context of eradication.
- RTS,S vaccine candidate: Research findings to date and an update on the Phase 3 trial.
- What's next for next-generation vaccines?
- Transmission-blocking vaccines: Pinpointing weaknesses in the parasite life cycle.

**Chair:** Dr. Christian Loucq, Director, MVI

Bethesda North Marriott Hotel & Conference Center,  
5701 Marinelli Road, North Bethesda, MD 20852

To **RSVP** for the symposium please call  
Kelsey Mertes at 240-395-2715 or email [kmertes@path.org](mailto:kmertes@path.org).

*IABS Human Vaccines*

IABS INTERNATIONAL SCIENTIFIC WORKSHOP

## Mode of Action of Adjuvants Implications for vaccine safety and design

IABS Meeting and NFID/ACVR Satellite Meeting  
April 29 - 30, 2010 - Bethesda, MD

### Objectives

- To review present knowledge on the mode of action of adjuvants;
- To consider how understanding the mode of action of adjuvants can help to address safety issues;
- To consider how progress in adjuvant science can assist vaccine design;
- To facilitate exchanges between experts from academia, industry and regulatory agencies.

### Outcomes

- Conclusions and recommendations will be issued at the end of the meeting and published.

### Who should attend?

- This event will be of interest to experts working in the field of human vaccines, whether from the public or private sector or from regulatory agencies.

**Meeting Venue Bethesda North Marriott  
Hotel & Conference Center  
5701 Marinelli Road, Bethesda,  
Maryland 20852 USA**

**For Further Information: [www.IABS-adjuvants-2010.com](http://www.IABS-adjuvants-2010.com)**

## Preliminary Program

### Sunday

April 25, 2010

12:00 P.M.-6:00 P.M.

**Malaria Vaccines Symposium**  
Hosted by the PATH Malaria  
Vaccine Initiative  
*See page three for registration  
information*

6:00 P.M.-8:00 P.M.

Conference Registration

### Monday

April 26, 2010

7:00 A.M.-5:00 P.M.

Registration

7:30 A.M.

Poster Set-Up

8:00 A.M.

Continental Breakfast

8:30 A.M.

Welcome and Introductions  
*SUSAN J. REHM, M.D.*  
*National Foundation for  
Infectious Diseases  
Bethesda, MD*

#### ■ Keynote Address

8:45 A.M. **Success and Failure: The Thrills of Vaccine  
Development and Application**  
*DONALD P. FRANCIS, MD, DSC*  
*Global Solutions for Infectious Diseases  
San Francisco, CA*

9:30 A.M. **Questions and Answers**

9:45 A.M. **Coffee Break**

#### ■ Symposium 1. Vaccines, Poverty, and World Hunger

10:00 A.M. **Anti-Poverty Vaccines for Neglected Tropical  
Diseases**  
*PETER J. HOTEZ, MD, PhD*  
*George Washington University  
Washington, DC*

10:30 A.M. **The Global Control and Eradication of  
Foot-and-Mouth Disease**  
*LUIS L. RODRIGUEZ, DVM, PhD*  
*Plum Island Animal Disease Center  
U.S. Department of Agriculture  
Orient Point, NY*

11:00 A.M. **Poverty, Hunger and the Promise of Malaria  
Vaccines**  
*THOMAS L. RICHIE, MD, PhD*  
*Naval Medical Research Center  
Walter Reed Army Institute of Research  
Silver Spring, MD*

11:30 A.M. **Questions and Answers**

12 :00 P.M. **Charles Mérieux Award Luncheon**

#### ■ Symposium 2. Pandemic Influenza: Revising Our Concepts

1:15 P.M. **The Pipeline of Swine-Origin H1N1  
Influenza Vaccines**

*JOHN J. TREANOR, MD*  
*University of Rochester School of Medicine  
Rochester, NY*

1:45 P.M. **The Epidemiology of Swine-Origin  
H1N1 Influenza**

*JOSEPH S. BRESEE, MD*  
*Centers for Disease Control and Prevention  
Atlanta, GA*

2:15 P.M. **Zoonotic Influenza: Disease in Swine**

*AMY L. VINCENT, DVM, PhD*  
*National Animal Disease Center  
U.S. Department of Agriculture  
Ames, IA*

2:45 P.M. **Questions and Answers**

3:15 P.M. **Coffee Break**

#### ■ Submitted Presentations

3:30 P.M. **Concurrent Submitted Presentations**

5:00 P.M. **Adjournment and Poster Reception**

### Tuesday

April 27, 2010

7:00 A.M. - 5:00 P.M.

Registration

7:00 A.M. - 7:45 A.M.

Meet the Experts Breakfast  
Session

7:30 A.M.

Continental Breakfast

#### ■ Mary Lou Clements-Mann Memorial Lecture in Vaccine Sciences

8:00 A.M. **HIV/AIDS Vaccine Update**

*ANTHONY S. FAUCI, MD*  
*National Institute of Allergy and Infectious  
Diseases  
Bethesda, MD*

8:45 A.M. **Questions and Answers**

#### ■ Symposium 3. Live Vaccines Still Alive and DIVA (Differentiating Infected from Vaccinated Animals)

9:00 A.M. **A Molecular Vaccine for Foot-and-Mouth  
Disease-Free Countries**

*MARVIN J. GRUBMAN, PhD*  
*Plum Island Animal Disease Center  
U.S. Department of Agriculture  
Orient Point, NY*

- 9:30 A.M. **A Novel Live Vaccine to Prevent Rift Valley Fever in Livestock and People**  
STUART T. NICHOL, PhD  
*Centers for Disease Control and Prevention*  
Atlanta, GA
- 10:00 A.M. **Coffee Break**
- 10:15 A.M. **Reverse Genetics to Design of a Live Classical Swine Fever Vaccine for Control and Eradication**  
MANUEL BORCA, DVM, PhD  
*Plum Island Animal Disease Center*  
*U.S. Department of Agriculture*  
Orient Point, NY
- 10:45 A.M. **Questions and Answers**

### ■ Late Breaking Topics and Issues

- 11:15 A.M. **Roundtable**
- 12:15 P.M. **Maurice R. Hilleman Early-stage Career Investigator Award and Robert Austrian Memorial Lecture and Luncheon**
- 1:45 P.M. **Poster Session**
- 2:45 P.M. **Coffee Break**

### ■ Submitted Presentations

- 3:00 P.M. **Concurrent Submitted Presentations**
- 4:30 P.M. **Adjournment**

## Wednesday April 28, 2010

- 7:00 A.M.-12:00 P.M. **Registration**
- 7:00 A.M.- 7:45 A.M. **Meet the Experts Breakfast Session**
- 7:30 A.M. **Continental Breakfast**

### ■ Submitted Presentations

- 8:00 A.M. **Concurrent Submitted Presentations**
- 9:30 A.M. **Coffee Break**

### ■ Symposium 4. Innovations in Molecular Approaches to Vaccine Delivery

- 9:45 A.M. **Alphavirus Replicons as Vaccine Delivery and Adjuvant Systems**  
ROBERT E. JOHNSTON, PhD  
*University of North Carolina*  
Chapel Hill, NC
- 10:05 A.M. **Questions and Answers**
- 10:15 A.M. **Targeting Nanoparticulate Immunogens for Efficient Delivery to the Immune System**  
ULRICH H. VON ANDRIAN, MD, PhD  
*Harvard Medical School*  
*Immune Disease Institute*  
Boston, MA

- 10:35 A.M. **Questions and Answers**
- 10:45 A.M. **Molecular Vaccines for Filoviruses**  
HEINZ FELDMANN, MD, PhD  
*Laboratory of Virology*  
*National Institute of Allergy and Infectious Diseases*  
Hamilton, MT
- 11:05 A.M. **Questions and Answers**
- 11:15 A.M. **DNA Vaccines for Hemorrhagic Fever with Renal Syndrome**  
CONNIE S. SCHMALJOHN, PhD  
*U.S. Army Medical Research Institute of Infectious Diseases*  
Ft. Detrick, MD
- 11:35 A.M. **Questions and Answers**
- 11:45 P.M. **Lunch (on your own)**

### ■ Symposium 5. Novel Adjuvants: Why? When? Consequences?

- 1:00 P.M. **What Can We Expect from Vaccine Adjuvants?**  
CLAIRE-ANNE SIEGRIST, MD  
*University of Geneva*  
*World Health Organization Collaborating Centre for Vaccinology and Neonatal Immunology*  
Geneva, Switzerland
- 1:30 P.M. **From Kitchen-Derived Adjuvants to TLR (Toll-Like Receptor) Agonists: An Overview**  
MARTIN FRIEDE, PhD  
*World Health Organization (WHO)*  
Geneva, Switzerland
- 2:00 P.M. **The Role of T-Cell Costimulatory Signals in Regulating Immune Responses**  
ARLENE SHARPE, MD, PhD  
*Harvard Medical School*  
Boston, MA
- 2:30 P.M. **New Approaches to Assess the Safety of Novel Adjuvants**  
HANA GOLDING, PhD  
*Center for Biologics Evaluation and Research*  
*US Food and Drug Administration*  
Bethesda, MD
- 3:00 P.M. **Questions and Answers**
- 3:30 P.M. **Adjournment**

## Thursday and Friday April 29 and April 30, 2010

- IABS International Scientific Workshop  
Mode of Action of Adjuvants: Implications  
for Vaccine Safety and Design  
*See page three for registration information*

## Registration Fees

The registration fees are as follows:

<i>On or before March 15, 2010</i>	<i>After March 15th and Onsite</i>
\$450 Early Registration Fee	\$550 Registration Fee
\$405 NFID Supporting Member	\$495 NFID Supporting Member
\$250 Doctors-in-Training * **	\$300 Doctors-in-Training * **
\$250 Nurses**	\$300 Nurses**
\$200 Daily Registration Fee	\$250 Daily Registration Fee

\*Includes medical students, doctoral students, residents, fellows, and physician assistants.

\*\*To be approved for the reduced registration fee, verification of status must be provided in the form of a letter from your program director; or a copy of your license should be provided for nurses.

**Registration Deadline** – April 19, 2010 (registrations received after April 19 will be processed on-site)

To qualify for the early registration fee, a completed registration form with payment must be received at the NFID office before 5 p.m. Eastern Time on March 15, 2010.

The registration fee includes a program/abstract book, continental breakfast on each day of the conference, coffee breaks, award luncheons, and receptions. Accommodations and additional meals are not included.

Follow the registration instructions below according to your method of payment. Confirmations will be sent within two weeks of receipt of completed registration and proper payment. **Please allow time for processing.**

■ **Credit Cards:** If you are paying by credit card, you may register securely online at [www.nfid.org](http://www.nfid.org), fax your registration to 301-907-0878 or mail it to the address listed below. We are unable to accept telephone registrations.

■ **Check or Money Order:** Checks (drawn on a U.S. bank only) and/or money orders must be in U.S. dollars, made payable to NFID, and mailed with the registration form to the address below.

Purchase orders cannot be accepted.

### Send registrations to the following address:

Thirteenth Annual Conference on Vaccine Research  
National Foundation for Infectious Diseases  
4733 Bethesda Avenue, Suite 750  
Bethesda, Maryland 20814-5278 USA

### For Further Information

Please contact Sharon Cooper-Kerr or Lauren Ero at the address listed above or as follows:

Phone: 301-656-0003 x19      Fax: 301-907-0878

E-mail: [vaccine@nfid.org](mailto:vaccine@nfid.org)

Visit our Website: [www.nfid.org](http://www.nfid.org)

### INTERNATIONAL TRAVEL GRANT PROGRAM

Applications are currently being accepted for the 2010 Annual Conference on Vaccine Research Travel Grants Program. This initiative is designed to help vaccine and infectious disease researchers in countries with limited resources attend the conference. The monetary award covers expenses associated with the conference, including conference registration, economy international airfare, hotel, and meals. Specific details regarding eligibility and the application process can be obtained from the NFID website at [www.nfid.org/conferences/vaccine10](http://www.nfid.org/conferences/vaccine10).

### GENERAL INFORMATION

**Language** • The official language for the conference is English.

**Dates and Location** • The Thirteenth Annual Conference on Vaccine Research will be held April 27-29, 2009 at the:  
Bethesda North Marriott Hotel and Conference Center\*  
5701 Marinelli Road  
North Bethesda, MD 20852

\*This facility is fully accessible to the public in accordance with the Americans with Disabilities Act guidelines.

**Hotel Accommodations** • A limited number of guest rooms have been reserved at the Bethesda North Marriott Hotel and Conference Center for conference participants at the rate listed below:

\$201 (plus applicable taxes, currently 13%) per night.

To make a reservation, call the hotel directly at 301-822-9200 or the Marriott toll-free reservation department at 800-859-8003, and tell the agent that you are attending the 13th Annual Conference on Vaccine Research being held from April 26-28, 2010. Reservations should be made no later than April 5, 2010, in order to secure the conference rate. After that date, rooms are on a space- and rate-available basis only. Please note that the room block is limited, and contacting the hotel before April 5th does not guarantee that space will be available. Make your reservations as early as possible to avoid any problems.

In addition, a small block of rooms have been reserved at the prevailing 2010 per diem for employees of the U.S. Federal Government. **Identify yourself as a U.S. Government employee when you call to make your reservation.** You will be required to present proof of your government employee status upon check-in.

### TRAVEL

**By Plane** • *Baltimore-Washington International Airport (BWI)* is located approximately 50 minutes from the North Bethesda Marriott Hotel and Conference Center. Super Shuttle transportation service operates 24 hours a day, 7 days a week (call 1-800-258-3826 for reservations). The cost is approximately \$40 one-way and \$80 round-trip. Estimated taxi fare is \$75 one-way.

• *Washington Ronald Reagan-National Airport (DCA)* is located approximately 18 miles from the Bethesda North Marriott Hotel and Conference Center. Super Shuttle transportation service operates 24 hours a day, 7 days a week (call 1-800-258-3826 for reservations). The cost is approximately \$28 one-way. Estimated taxi fare is \$55 one-way.

• *Dulles International Airport (IAD)* is located approximately 30 miles from the Bethesda North Marriott Hotel and Conference Center. Super Shuttle transportation service operates 24 hours a day, 7 days a week (call 1-800-258-3826 for reservations). The cost is approximately \$65 one-way. Estimated taxi fare is \$55 one-way.

**By Train** • Amtrak Union Station is located 17 miles south of the hotel. Shuttle service can be arranged through the hotel. Prices vary. A taxi will cost approximately \$25. There is also convenient access to the Metrorail subway system. From Union Station take the Red line in the direction of Shady Grove/Grosvenor. Disembark at the White Flint Metro station. The station is located across the street from the hotel within a quarter mile.

**By Car** • *From Dulles International Airport:* Take the Dulles Airport Access Road and merge onto VA-267 East toward I-495 (Exit 18-19). Merge onto I-495 North via Exit 18 toward Baltimore/Bethesda. Merge onto the I-270 Spur North via Exit 38 toward Rockville/Frederick. Take Democracy Boulevard East Exit. Turn left on MD-187 Old Georgetown Road. Turn right on Executive Boulevard. Turn left on Marinelli Road.

• *From Ronald Reagan Washington National Airport:* Take the George Washington Parkway to I-495. Merge onto I-270 and take the Democracy Boulevard East exit. Turn left on MD-187 Old Georgetown Road. Turn right onto Executive Boulevard. Turn left on Marinelli Road.

• *From Baltimore-Washington International Airport:* Go West on I-195. Merge onto I-95 South via Exit 4B toward Washington. Merge onto I-495 West toward Silver Spring. Merge onto Rockville Pike/MD 355 North via Exit 34. Turn left on Marinelli Road.

If you require more detailed directions or additional transportation options, please contact the hotel directly at 301-822-9200.

**Parking at the Hotel** • Parking (self-park) is \$12 per day and is based on availability. For more information call 301-822-9200.

**Recommended Dress:** Business attire is appropriate for the sessions and receptions.

**Reminder:** Meeting room temperatures and personal comfort levels vary widely. Because meeting rooms often seem cold, please bring a sweater or jacket.

### INTERNATIONAL ATTENDEES

If you require a letter of invitation in order to obtain a visa for entry into the United States, please let us know as soon as possible. Please indicate where the letter should be sent and how it should be sent (fax, post, etc.).

## THE THIRTEENTH ANNUAL CONFERENCE ON VACCINE RESEARCH

APRIL 26-28, 2010  
BETHESDA NORTH MARRIOTT HOTEL AND  
CONFERENCE CENTER  
NORTH BETHESDA, MD

**Cancellation Policy** • Refunds minus a \$75 administrative fee will  
be granted only if *written notification* arrives at the NFID office prior to  
5 p.m. Eastern Daylight Time on March 19, 2010. There will be no refunds  
for cancellations made after this date. NFID reserves the right to cancel  
this conference at any time. In the event of conference cancellation, only  
the full registration fee will be returned to the registrant.

### SATELLITE EVENTS

Malaria Vaccines Symposium  
April 25, 2010

Organized by the PATH Malaria Vaccine Initiative  
To register for the symposium please call  
Kelsey Mertes at 240-395-2715 or email kmertes@path.org.

Mode of Action of Adjuvants: Implications for  
Vaccine Safety and Design  
April 29-30, 2010

Organized by the International Association for Biologicals  
For further information and to register, visit [www.iabs-adjuvants-2010.com](http://www.iabs-adjuvants-2010.com)

*The Thirteenth Annual Conference*

## Instructions for Abstract Submission

The Scientific Program Committee invites submissions of abstracts of original research. Topic areas and abstract format are available on-line at the conference website. All abstracts must be submitted electronically. Abstracts should be submitted via the on-line submission program on the conference website ([www.nfid.org/conferences/vaccine10](http://www.nfid.org/conferences/vaccine10)).

**Deadline:** Abstracts must be received by January 4, 2010. (Travel grant abstracts must be received by December 7, 2009.)

**Notification:** Notification of Abstract acceptance will be e-mailed the week of February 8, 2010. (Travel grant notifications will be e-mailed the week of January 11, 2010.)

**Important Note:** Those whose abstracts are accepted for presentation must complete the conference registration form and

submit the appropriate registration fee by March 15, 2010 (travel grant awardees are excluded); otherwise the abstract(s) will be withdrawn. The conference does not have funds available to support travel or other costs, so please make financial arrangements as soon as possible. Presenters who fail to appear at the conference at the specified time(s) without making arrangements for a co-author to make their presentation will forfeit their registration fee and further abstract submissions will be automatically disqualified from consideration for two years.

**More Information:** For more information regarding the abstract submission process, please contact Lauren Ero through any of the following means listed below:

**Phone:** 301-656-0003 ext. 19

**Fax:** 301-907-0878

**E-mail:** [vaccine@nfid.org](mailto:vaccine@nfid.org)
